Vicar

St Margaret's Church, Southsea

For our lively and engaged church active in the heart of its community in Southsea we are looking for a leader who will embed the values of our church and help us to grow pastorally and in depth spiritually. We continue to build a community with Jesus at the centre and we live out our mission in serving our community in many exciting ways. Does this speak to you? Do you have a heart for mission and a desire to reach and disciple? Could you be our next leader?

Closing date: **June 23rd 2025**. Interviews: **July 15th/16th 2025**.
